

CHICKEN NUGGETS

**FADE IN:**

**INT - KITCHEN - DAY**

Phil enters, passing an old picture of his grandmother looking stern.  
He drops a box of 6-pc chicken nuggets on the table.

Takes off his jacket.

Sits down.

Opens the box of chicken

Yum.

1-pc, 2-pc

Chew. chew. Chew.

Swallow.delicious

(beat)

Something is not right.

(beat)

The four remaining pieces of chicken stand up and stare at Phil.

PIECE OF CHICKEN  
BRING. THEM. BACK.

Phil freaks out.

The two eaten pieces of chicken travel back up Phil's throat and they  
come out a little deformed but whole chicken nuggets.

Gross.

Phil immediately gets up, puts his jacket on and throws the 6-pc of  
chicken in the garbage.

Phil exits, passing the old picture of his grandmother, her face  
beaming with delight.
